About Our Community Foundation

Helping donors do good
work...**forever.**

The Albuquerque Community Foundation is a tax-exempt public charity created by and for people in the greater Albuquerque area. We enable those with philanthropic interests to easily and effectively support the issues they care about — immediately or through a planned gift. You can establish a charitable fund by contributing a variety of assets and can then recommend grants — in your name, if you choose — to nonprofit groups you want to support.

Unique features of the Community Foundation

Personalized service. For individuals, families, and private foundations, we offer efficient stewardship of their philanthropic funds, professional grantmaking and monitoring, and the most generous tax benefits provided by law. To maximize the effect of contributions, only about 2% of the Foundation's assets go to investment management fees and administrative costs.

Local expertise. Our professional staff has an in-depth understanding of the issues, opportunities, and resources that shape our community. We monitor all areas of community need, including arts & culture, at-risk children & youth, education, environmental & historic preservation, health, and human services. We can help you learn more about the organizations and programs that make a difference in areas you care about most.

Community leadership. We invest in the long term and bring people and organizations together, convening diverse voices to address local issues and opportunities. Our business is building community.

The Community Foundation administers a permanent community endowment comprised of many gifts, large and small, and uses the earnings from that endowment to make grants to other nonprofit organizations. Since our establishment in 1981, our total grant distributions have exceeded \$31.5 million and funded over 5,500 grants to nonprofit organizations serving the greater Albuquerque area.
