Letter from the President

Over the past 30 years, donors have established field-of-interest funds at the Albuquerque Community Foundation and directed us to use the spending from these endowments to address the changing needs of our community over time. Given this significant responsibility, we carefully review every program we fund – community impact is the ultimate measure of honoring the intent of these visionary donors. Currently, the Foundation’s fields-of-interest are Arts & Culture; Education; Environmental & Historic Preservation; Health and Human Services.

The endowments of field-of-interest funds, along with those of impact funds (which allow for giving that is not restricted by field) comprise our Competitive Grant Program. Each year, the Foundation receives nearly two hundred grant proposals that are thoroughly reviewed by community grant panels. The available funds are then granted to the organizations that have developed programming that will achieve the greatest impact on the constituencies they serve.

On the occasion of our 30th anniversary, we’d like to share with you a list of these funds and a few of this year’s competitive grants funded through these funds. We sincerely thank the generous donors who have entrusted their charitable dollars to the discretion of the Foundation. Rest assured, every dollar is carefully spent. continued on page 3

Sincerely,

Diane Harrison Ogawa
President

Letter from the Executive Director

According to the most recent numbers published by Giving USA, individual giving continues to account for the largest percentage of donations to charity.

Just ask those who generously contribute to our Partners in Philanthropy annual drive. With their support, the Foundation has been able to respond to the significant demands currently faced by our community. So far in 2011, the Foundation has been able to grant $2 million to meet these needs because our donors stepped up and recognized that the time for philanthropy is now.

The Foundation would not be able to provide this type of support to the nonprofits in our community without the commitment of our donors who give to help cover our operating expenses so that we can further our role in the community, growing and expanding to meet increased need.

We exist to inspire and grow philanthropy by managing a pool of endowment funds for the long-term benefit of the community. We could not achieve this without the generous support of the following individual and corporate donors who have contributed to our Partners in Philanthropy annual giving campaign. The campaign runs through December 31, 2011—it is not too late to make your contribution.

continued on page 4

Sincerely,

R. Randall “Randy” Royster, Esq.
Executive Director
The Foundation celebrated its 30th Anniversary with more than 600 people in attendance. In honor of the anniversary, Board Chair Diane Harrison Ogawa announced the establishment of the Visionary Fund, an endowed fund to recognize the vision of the Foundation’s founders and first trustees. One hundred people are being sought to contribute $1,000 each to establish the $100,000 fund that will make a grant each year to a “visionary” nonprofit organization. See the current Visionary Fund donors list below.

Other highlights of the celebration included a brilliant 30th Anniversary video highlighting the Foundation’s milestones over the past 30 years (view it at albuquerquefoundation.org) and performances by grant recipients including Los Reyes de Albuquerque and the National Institute of Flamenco.

Nancy Johnson, the Foundation’s Program Director, was honored for her 20 years of service and awarded this beautiful tree sculpture inscribed with a Chinese Proverb, “One generation plants the trees, another get the shade.”

Thank you to the generous Corporate sponsors of our 2011 30th anniversary luncheon.

Great Grants Funded through the Competitive Grant Program

Alzheimer’s Association At least 70% of the 38,000 New Mexicans living with Alzheimer’s are cared for at home by a family member. Often times, persons providing care are elderly spouses. The grant awarded to the Alzheimer’s Association funded a program that provides dementia caregivers, who are twice as likely as other caregivers to have physical or psychological problems, with brief periods of rest from the demands of caregiving. The program offers reimbursement to primary caregivers for up to three instances a year of their contracting with an outside source to provide care for their loved ones.

ARCA The grant awarded to this organization is helping to provide safety and mitigate further life disruption for traumatized children with disabilities by healing and/or reunifying their families through foster care. When families cannot be reunified, the children are placed with loving permanent families. The intent of foster care is to make each child safe and provide for medical care and behavioral needs while supporting the family. Currently, foster care funded by this grant is being provided for 26 abused, neglected, and fragile children with disabilities.

* 5+ years as a Partner in Philanthropy
** 10+ years as a Partner in Philanthropy
By now you’ve probably read that the Foundation will be moving to a permanent home! We couldn’t be more proud to have been selected by Paul and Patti Marianetti to be the ‘Champions of the Champion Building’, the 100-year-old red brick building that stands on the corner of 7th and Tijeras in downtown Albuquerque. A major renovation and facelift appropriate for this centenarian beauty is currently underway. By early next year, it’s going to be the new jewel in the community jewelry box. With new flooring, wiring, plumbing, paint, and lighting, along with a new roof, this magnificent structure is being restored literally from the ground up.

This project would not be possible without truly generous contributions of time, talent, and, of course, treasure from those in the community who recognize the splendid opportunity this building presents for the Foundation and for the community. Fortunately, we already have a commitment from the Gorham Family to sponsor a community conference room even larger than the one in our current location. As always, it will be offered free of charge to other nonprofit organizations.

We’d like to thank those who have already contributed and those who are thinking about it. Tours are available for those interested in a sponsorship opportunity. Sponsorships range from $1,000 to $100,000. We certainly need your help.

**BUILDING SPONSORS (AS OF 9-1-11)**

Gorham Family—Community Conference Room & Board Room

R ealtors have played an integral role in the development of the greater A lbuquerque area for 90 years. Through their dedicated efforts, they have positively shaped the community. In celebration of their 90th anniversary, the G reater A lbuquerque A ssociation of R ealtors established the T hen, N ow, Forever Fund to provide a permanent fund “to aid in creating adequate housing, building functioning cities, developing productive industries and preserving a healthful environment in the area.” $90,000 was contributed to establish the fund, $1,000 in honor of each of the 90 presidents of the board. The organization intends to donate subsequent amounts corresponding to their anniversaries over the next ten years, growing the fund to $1,000,000 on their 100th anniversary!

D onor D ish
The A lbuquerque Community Foundation values fresh ideas and thoughtful philanthropy. So, we’ve invited our nonprofit partners to give us the dish on what is going on in our community. On Tuesday, November 1, we’re going to dish about “Where are all the N ew Buildings Coming From?” Besides the Foundation, we can think of nine other nonprofits with new digs. Join us to talk about who and how. Call our office to RSVP, 505.883.6240

2011 Senior H all of F ame H onorees
Congratulations to Foundation donors A llene and W alter K leweno! These new Senior Hall of Fame Honorees have contributed countless hours as volunteers in A lbuquerque and throughout the rest of the state to many nonprofits including the NM Museum of Natural History, the Rio Grande Nature Center, the Nancy Floyd Hayworth Foundation, Tribal Libraries Bookmobiles (that travel to the most rural areas of New Mexico), the N MSO, Opera Southwest, the UNM Art Museum, and the A lbuquerque Community Foundation.
Manuel Lujan Excellence in Education Scholarship Celebrates 20th Anniversary

As a twenty-year member of the United States House of Representatives, Manuel Lujan, Jr. saw the growing need to help young people with their rising college costs. A fund was established in his honor to provide resources to students from 24 designated central New Mexico high schools. Each year, scholarships are awarded to graduating seniors attending a New Mexico four-year college or university. The designated high schools each select one student for a $600-per-year award, renewable over four years of undergraduate studies.

Nancy Johnson, Richard Wexler, Michael Marchi, Manuel Lujan, Jr.

Student Aid Funds

The Foundation has 15 scholarship and student aid programs to help New Mexico students attain their educational goals. Each program was established by a donor with individual interests and priority areas. These programs represent the broad diversity of the generous individuals who care about education and believe the best way to give back to the community is by supporting future generations.

Student Aid Fund Spotlight: Woodcock Family Education Scholarship Program

This program was established in 1993 by Albuquerque businessman C.E. (Woody) Woodcock and his wife, Dixie, to support students of exceptional promise in the fields of science and math. Here is a letter we received recently from a recipient.

May 9, 2011:

Mr. and Mrs. C.E. Woodcock
1831 McKinley Blvd. NE Suite 7
Albuquerque, NM 87110-6903

Dear Mr. and Mrs. Woodcock,

How do I express my utmost sincere thanks for the generous scholarship you have awarded me over the last four years. You have given me the opportunity to complete my undergraduate degree without having to assume any long term financial debt. This afforded me the opportunity to accept a part-time position in my field of study instead of needing full-time work anywhere I could get it, to meet my expenses. I am honored to send you this graduation announcement and I applaud your commitment to aiding students in the fields of science and math. I hope that you celebrate with me as I receive my Bachelor of Science Degree in Physics with Honors at New Mexico Tech on May 14th, 2011. I look forward to the opportunities ahead of me as I determine which scientific path I choose to pursue. Thank you again for your continued support, you have been a blessing greater than you can ever know! God bless you!

With warmest regards,

Kyle H. Judah

P.S. I will do my best to get you a picture from the ceremony.
Since our last newsletter, the Future Fund members have been a busy group of young philanthropists. In June, members gathered at the old Hiland Theater for their annual luncheon. Members listened to reports from the three organizations they awarded grants to in 2010: La Familia, Watermelon Mountain Ranch, and the New Mexico Collaboration to End Hunger. Each organization reported positive news on the success of the programs funded. The group was treated to a sneak peak tour of the old theater that will soon become the new home for NDI (National Dance Institute). Look forward to the grand opening performance in May 2012!

The Summer Soiree membership party was also a great success, recruiting new members and reconnecting old friends. Members enjoyed a preview of “Hot Cars” from the 2011 Concours du Soleil to get “revved” up for the event. This year, members volunteered to organize the Concours Road Rally and After Party.
**Better Than a Sweater**

The holidays are once again nearly upon us. We have a great suggestion for gifts that are easy, affordable yet generous, don’t have to be gift wrapped, and won’t wind up in a stack of unused, unappreciated gifts. Charitable Gift Cards are available in $25, $50, $100 & $200 increments. Your recipient simply sends them to any nonprofit organization of his or her choice. That organization calls us and we send them a check. YOU get the tax deduction, your gift recipient gets the recognition, and everyone feels good.

---

**Gordon Bernell Charter School**

Exposure to education and positive role models will change the future for many of the kids at Gordon Bernell, and the grant made by the Competitive Grant Program funded one such unique opportunity. The grant helped Gordon Bernell students to work on designing and developing the “Pocket Park” on Gold Avenue between 2nd & 3rd Streets and has allowed students to reconnect with their community in a positive way. Imagine how good students feel when they can brag to family members or friends that they played a part in the building of the park not far from where many students live. Not only is the park a wonderful addition to the revitalization of downtown Albuquerque, it is a shining example of the positive impact an effective collaboration —combining the resources of government, private business, and industry, along with those of the nonprofit community — can have.

---

**We Made a Mistake**

Due to an unfortunate glitch in our system we missed recognizing the following Partners in Philanthropy in our 2010 Annual Report. Please accept our sincere apologies.

- Dr. Kathleen Blake & Mr. Robert Balance
- Build New Mexico
- Ms. Katherine W. Oakley and Mr. Douglas Edgar
- Ms. Nancy D. Herring & Mr. Matthew T. Segura
- Mr. & Mrs. Mark Humphrey
- Dr. & Mrs. Christopher Merchant
- Mr. & Mrs. Mark J. Napolin
- Ms. Leslie E Neal

- Dr. & Mrs. Michael Nelson
- Mr. and Ms. Steve Nunley
- Mr. & Mrs. Jerry Roehl
- Mr. & Mrs. Mark B. Thompson III
- Mr. and Mrs. Martin E. Threet
- Mr. & Mrs. Alan Weitzel
“An Evening of European Romance” was just that. Beautiful cars, people, food, entertainment and venue created a marvelous evening again this year. Three new events were added -- a Road Rally, After Party at the Finishline and a free public show held at the Old Town Square. Guests stood by as hot car after hot car raced to the finish line. The proceeds of this event are divided, with one half being contributed to the permanent Cinco Amigos Fund of the Foundation while the other half goes to funding grants made through the Foundation’s grant program. Concours du Soleil sells out earlier every year. Save the date now for the next Concours, to be held September 15th thru 17th, 2012. To view photos or to be added to the mailing list, visit SeeHotCars.com or Like us on the SeeHotCars Facebook page.

Concours du Soleil is sponsored by local businesses that generously give back to the community through this marvelous event.

CARL M. ALONGI
REDW The Rogoff Firm

Carl is well known in Albuquerque for his financial experience and his willingness to lend his expertise to the nonprofit community. A long time partner in his own firm and now senior consultant for REDW The Rogoff Firm, Carl has served the UNM Foundation, CNM Foundation, Albuquerque Academy Board of Trustees, and New Mexico Family Business Alliance. As a long-time donor and friend of the Foundation, and current member of the Foundation’s Investment Committee, Carl will add his thoughtful perspective to the Board of Trustees.

CHESTER FRENCH STEWART
FRENCH Funerals & Cremations

At the request of his grandfather, “Chet” returned to Albuquerque to begin a career in funeral service after earning a degree from Wheaton College and serving in the U.S. Army. Upon completing the Dallas Institute of Mortuary Science to become a licensed funeral director, his grandfather sold him 1/3 of French Mortuary and made him a partner in the business. Just three weeks later, Mr. French died suddenly and Chet purchased the remaining interest in the business, where he has served for 41 years now. Chet has also served on many volunteer boards, including those for the New Mexico Funeral Service Association, CNM, the Better Business Bureau, Young Life, Rotary, and the Chamber of Commerce, as well as serving as Co-Chair for the United Way - Alexis de Tocqueville Campaign.
I'd like to support the work of the Foundation.
